

INFORMATION & MEASURES

for a *carefree winter holiday*

Bergland
Appartements

Dear guest, your health and that of our team is our highest priority. In order to be able to offer you an all-round carefree and unforgettable stay in these turbulent times, we have implemented measures that guarantee you the greatest possible security.

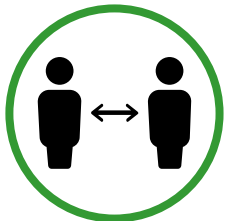

Our employees receive comprehensive training in hygiene measures in contact with guests in the light of the current situation. Hand disinfectant dispensers are available at all entrances to our house. Handrails, door knobs and other smooth surfaces are regularly cleaned and disinfected. Our bed, table and bath linen is cleaned according to certified hygiene standards.

If you are a new guest, please send us your details for check-in by e-mail in advance, we will fill in the registration form and you only need to sign it on arrival. In this way we enable a quick check-in process.

Masks are generally compulsory for the entire staff. Our reception is equipped with a plexiglass shield to guarantee even more safety on both sides. Highly effective disinfectant cleaning agents are used in the rooms. The development of the situation is constantly and intensively monitored by us personally. We will inform you immediately in the event that additional measures are required.

Due to the current situation we will also adjust the opening hours for the spa facility with sauna and infrared cabin. The Finnish sauna will be available only after registration. The steam bath is not available until further notice.

5 rules that should be considered at all times and by all:

Keep at least 1 metre distance to others

Avoid shaking hands and hugs

Wear a face mask in crowds

Wash and disinfect hands several times a day

Sneeze & cough in the crook of your arm or in a handkerchief

Further Information:

Due to the current circumstances, the restaurants in Lech and in the ski area will not be able to offer the usual capacities. We advise you to book in advance: <https://www.lechzuers.com/en/culinary/restaurants/>

Information on the measures of the ski lifts for a safe skiing holiday in Lech Zürs:
